Submissions

The invitation to submit an abstract does not constitute an offer to pay travel, accommodation or registration costs associated with the Conference. Similarly, no speakers' fee is paid to successful applicants of presentations or posters. This policy does not apply to "invited speakers". You also grant the Conference Organizers permission to publish the abstract in the Conference Handbook in hard copy. Reference to yourself may also be used within marketing material to promote the Conference. If you do not wish to do this but still wish to submit please contact the Conference Secretariat to discuss. The Conference Organizers decision on acceptance of the abstract will be final.

Insurance

Registration fees do not include personal travel insurance of any kind. It is strongly recommended that, when registering for the Conference and booking travel, a travel insurance policy be taken out to cover loss, cancellation, medical cover etc for any reason. The Conference Organizers do not take responsibility for any delegate failing to insure.

Special Needs

Every effort will be made to ensure people with special needs are catered for. Should you require any specific assistance, catering or arrangements to be made on your behalf, please include a notation on your registration form under the section 'Special Requirements'.
